The classes with the best attendance were PR in the infants and L3 in the juniors. Well done to these two classes!

Welcome to our new Deputy Headteacher

I am delighted to announce that Mr Warrick Barton will be the new Deputy Headteacher of the school from September 2009. Mr Barton is currently a Deputy Headteacher in London and will be relocating to this area in the summer. He is very experienced and he brings a wealth of knowledge about primary education and most importantly a real excitement about joining the school. He will be a popular appointment as I know the School Council, who interviewed all the candidates, felt that he would be a great choice. Mr Barton will be visiting the school a couple of times in the summer when he will be introduced to the children and staff. I believe this appointment will be a significant addition to the high quality provision that the Longwell Green is known for and I warmly welcome Mr Barton to the staff of the school.

Red Nose Day: Friday 13th March 2009

The School Council are asking everybody to join in and do something funny for money next Friday. They would like everybody to come to school looking as funny as possible. Each councillor will talk to their class about how they may like to come to school. They have even challenged the teachers and all the other staff to turn up looking slightly different. All we ask is that you donate some money to Comic Relief.

The School Council have set themselves a target of £250.00 but are hoping for more. Just fifty pence per child would raise £200 for Comic Relief. So next Friday get out those wigs and funny hats, bring in your silver coins and help make a difference.

Quiz Club Triumph!

On Tuesday 3rd March our Quiz Club team of Michael (M6), Ethan (W3), Charlotte (F4) and Jonty (B5) participated in the local area heat at Kings Forest Primary School. There were 10 schools taking part in a general knowledge quiz that was a school's equivalent of 'University Challenge', and Longwell Green came out on top, meaning that the team now go on to the regional heat. This was a big opportunity for the team and they all had to do their very best to come out as winners. Well done to the team, good luck in the next heat and thank you to Mr Farr who organised the school's participation.

Congratulations to...

Tia, Evie and Katie in Year 5 who have taken part in the southern team gymnastics tournament and have gone through to the national qualifiers. Well done girls!
