FRIDAY November 7th 2008

Maths homework club

We are very pleased to announce that we are able to offer an after school maths homework club for children in years 5 and 6. The club will run each **Monday** from **3.15 to 4.00**, starting on Monday 17th November. Children can bring their maths books from class if they need to finish class work or they could bring along any maths homework they need to do. This is a service provided by a very willing and able parent, Mrs Chen-Phillips, who already supports maths in B5, and we are very grateful to her for offering her time in this way. Any child in Years 5 or 6 who is interested should meet in the front entrance library after school. Can parents please make sure they have made arrangements to collect their child at 4pm.

Gymnastics Club

The Gymnastics Club due to start in the School Hall on Wednesday, 12th November, will also be open to Key Stage One children. Please contact the School Office if you are interested in your child attending this club.

Children In Need: Make a Difference

Dear Parents,

To help raise money for Children in Need the school is having a non-uniform day on Friday the 14th of November.

On this special mufti day we would like you to wear something spotty like... a scarf, a hat, socks, maybe even one of your Dad's ties.

In return for coming to school all spotty can you please bring in some silver coins to donate to Children in Need.

Yours sincerely

Eva and James on behalf of the School Council.
