Friday 20<sup>th</sup> November 2009

Wanted! Plastic or wooden curtain rings for craft at Friends of Longwell Green Festive Fayre. Please leave in school entrance foyer. Thank you.

**Eco Council and Eco Schools Award Update**

Well done to everyone involved in helping us achieve our Silver Award. There have been many eco activities over the past year that have helped us on our journey towards sustainability and we have even more planned for the coming year.

Firstly we want to encourage all the children and their families to make an Eco Promise. You will see in the Friday Folders this week there are footprints to record your Eco Promise on. The borders of these footprints will then be colour coded so that we when they are displayed in school we will recognise the year groups responsible. By asking the children to get an adult to make a promise too we are increasing our positive effect on the environment by 100%.

Watch this space for more ways to get involved with our Eco Schools awards - next stop Green Flag!

A GREY AND SILVER SCARF WITH SPARKLY THREAD WAS FOUND IN THE PLAYGROUND SOME WEEKS AGO. WOULD THE OWNER LIKE TO COLLECT IT FROM SCHOOL OFFICE.

WE STILL NEED CLEAN ACTIMEL POTS FOR FRIENDS OF LONGWELL GREEN.
