

NEWSLETTER 7 FRIDAY 23rd OCTOBER

M6 Assembly

Parents are invited to an assembly hosted by M6 on Friday 6th November. Further details to follow.

Walk to School Week – will be held during the first week back after half term (2nd November). This is a great opportunity to leave the car away from school and stretch your legs!

A big thank you for everyone who is sending in items for Harvest Festival, shoe boxes for Romania and coupons and items for our recycling schemes. Our recycling box of CDs and DVDs is filling up slowly, so if you are having a clear out during next week, please bring them in to school.

Play meeting

The school is developing its play policy and planning on ways to improve the facilities it provides for children's play. As part of this process I am delighted to invite all parents to a meeting to be held on **Tuesday 10th November at 6.30** in the school hall. The meeting will be led by Michael Follett, an expert on children's play. Michael is the play advisor for South Gloucestershire, but he also sits on the Strategic Advisory Board for Play England and has presented to the All Party Parliamentary Group on play. Please come along to find out what play can do for all our children! Please complete and return the reply slip below to let us know if you will be attending.
