What happened in school this week:

We held our annual Harvest Festival on Friday. One of our governors, Pam Blackmore, led the service and reminded children about the importance of giving to others, and the children sang various songs as part of the celebration. The produce brought in by families was displayed and was collected by members of Julian House, they were very grateful for the collection. Thank you to all families who contributed to our festival.

Bike It! Ryan held an assembly during which he talked about some activities for the year. He was joined by our Bike It! Crew for the year: Emma, Charlie, Joe, Nathan, Sophie, Kieran, and Louis will also be part of the crew. They will take a leading role in organising activities this year and I wish them well with their future tasks!

Longwell Green vs Mangotsfield 6th October

When we arrived we were greeted by the other team. The game started with both teams having chances that went wide and over the cross bar, but then they scored. Shortly after, they scored again. We were getting closer to the goal then Zach Feltham went out on the right side and crossed it

It hit the post and went in moments before the half time whistle. Then we had lots of chances that were blocked and saved by the goalie and the defenders, then they scored again. Just after half time Mangotsfield had a corner. With a good cross from the midfielder Mangotsfield scored with a very good header from their striker.

The score was 3-1 to Mangotsfield with minutes before the full time whistle there was a run down the wing, then they crossed the ball and the defender headed it away but it was not cleared fully and they won the ball and had a shot; sadly it went in. The whistle went - it was full time. The end result was 4-1 to Mangotsfield. We thought that we could have done better but we didn't. We'll try harder next time!

by Charlie, Zach and Harry C6.
