

Ethos and Behaviour

The ethos at Breakfast Club supports the school's **GREAT** values of **growth**, **re-respect**, **enjoyment**, **ambition** and **togetherness**. The organisation is designed to help children develop in a number of ways:

- gaining independence and self-esteem
- showing respect to each other and the adult supervisors
- enjoying the food and range of activities on offer
- trying new games and activities
- playing together with everyone else at Breakfast Club.

Breakfast Club uses the school behaviour target and encourages all children to stay on 'green'. Children who move from green are recorded in the Breakfast Club book and parents will be informed if their child receives three 'ambers' or any time they receive a 'red'.

Green behaviours: *engaged in activities; being polite; listening to others; being friendly*

Amber behaviours: *disrupting others; name calling; teasing; damaging property; swearing*

Red behaviours: *physical violence; bullying; racism; rudeness to staff*

Longwell Green Primary School Breakfast Club

Welcome to Longwell Green Primary School Breakfast Club

The Club has been established for many years and aims to provide high quality care of children before school, thereby allowing parents to leave early for work. The club is very popular, with between 30 and 40 children attending each day.

Food provided at Breakfast Club

Breakfast Club offers a range of food and drink that provides children with a nutritious start to the day. The food at Breakfast Club is provided by Aspens caterers, and our Breakfast Club kitchen manager is a very experienced cook who also cooks lunches at a neighbouring school. The school constantly seeks to improve its provision so the menu may change accordingly.

From September 2016, any child attending Breakfast Club who is entitled to support from Pupil Premium funding, will receive free breakfast, up to the value of £1.00. Please call at the office for more information.

Our current menu, with prices, is as follows:

Bacon Sandwich	50p
Bacon	40p
Beans on Toast	40p
Cereal and milk	40p
Wholemeal toast with spread	20p
Croissant	50p
Cup of Milk	20p
Low Calorie Hot Chocolate	30p
Fruit Juice (150ml)	30p

Activities at Breakfast Club

Breakfast Club is established to provide good quality care for children; their safety is paramount and our activities are geared towards providing them with a range of interesting things to do within a calm and purposeful environment.

Between 7.45 and 8.15 all activities are held in the school hall, and include:

- Table top games, colouring and puzzles
- Den making
- Small world imaginative play

At 8.15 children can also choose to go into the playground to take part in physical activities such as football, cricket, hoops or skipping.

Children should not bring toys into Breakfast Club - all items are provided.

All children pack up the activities ready for school at 8.45.
