

English

We will be studying Literature linked to the Victorian era.

History

We will be learning about the Victorian era, where it fits in with other periods in British history. This will also involve famous, local Victorian people and places.

DT

We will be studying Brunel and his engineering legacy plus building our own bridges.

Science

We will be continuing with our investigation into life cycles.

Mathematics

We will be deepening our knowledge and application of addition, subtraction, multiplication, division, negative numbers and Roman numerals.

Bristol Now and Then

Children's questions:

Why did Victorians wear really tall hats? - Jack S
What years were the Victorians alive? - Millie G
Was Queen Victoria alive in the Victorian times? Michael G
How long did Queen Victoria Live for? - Adam C

Computing

We will be focusing on the impact technology has on our modern day lives including how we use the internet to communicate.

RE

We will be thinking about why some people think God exists and places of worship.

PE

We will be undertaking some authentic Victorian style PE/drill lessons.

Music

We will be preparing for our Christmas carol service.

WOW Day Wednesday 15th November

We will be travelling back in time to Victorian Bristol and experiencing what it was like in schools for Victorian children. We will also be making looms in the afternoon. The children will need to come in dressed as Victorians.

French

We will be learning to say where we live, the countries around us and how we travel. We will be writing a letter to our link school in Toulouse
