

English

The children will be studying the science fiction text 'Last Mission' and writing their own Science Fiction stories.

Mindfulness

We will be supporting the children in dealing with the pressures of SATs through mindfulness and calming activities

Mathematics

All of the topics we have covered in maths so far, will be revised in preparation for our tests in May enabling children to feel confident and able to do their best.

ICT

The children will be using the iPads and taking and editing digital images for different audiences and purposes.

PE

The children will develop their understanding of health and fitness through cross-country running.

Music

The children will be learning songs for solo and group performances in preparation for the KS2 production. Towards the end of term, children will be auditioning for roles in the KS2 production.

PSHE

To complement the children's achievements in our Water Zone Awards scheme, they will be considering how people rise to challenges in real life situations and developing their own strategies to do the same.

Art

The children will be using different media to design and produce art work that will enhance our classroom learning environment.

WOW Day

Friday 25th May

Children are invited to share and celebrate an achievement they are proud of, bringing in anything that will help support them in doing this.
