

### Science

We will be learning about humans and identifying different body parts. We will investigate the five senses and how each one helps us. We will use sorting and grouping to explore similarities and differences between ourselves and others.

### English

We will be developing our basic writing skills by writing all about ourselves. We will be reading and writing about traditional stories and fairy tales. We will be focusing on correct letter formation and presentation.

### Computing

We will begin to use technology including netbooks and iPads. We will be looking at staying safe when using computers online and recognising common uses of technology beyond school.

### RE

We will be learning all about how we care for ourselves and for others. We will be looking at how people celebrate harvest festival.

### Mathematics

We will be developing our understanding of number by counting forwards and backwards to 20. We will practise number formation. We will look at different shapes and learn their names. We will use practical activities to support our addition and subtraction work.

## It's all about me!

Settling in to Year 1 and asking "What makes us all special?"

### PE

We will be exploring how our bodies change before, during and after exercise. This will include movement to improve their co-ordination skills.

### Art

We will be decorating our "All About Me" boxes using a variety of materials and methods. We will be looking at the work of Picasso and using his style to create our own pictures.

### WOW Day: Tuesday 25th September

We will be exploring our senses further through playing some fun games! We will also be drawing around and labelling the parts of our body. We invite the children to come in dressed as police investigators or scientists.

### PHSE

We will be focusing on settling into Year 1. We will also be thinking about safety including road safety, strangers and calling 999.

### Important dates
