

English

We will be recapping and developing our year 2 skills using 'Inside out' and the book 'Funny Bones' as inspiration.

Science

We will be learning about the importance of nutrition and exploring how skeletons and muscles are used for support, protection and movement.

Mathematics

We will be learning about place value. We will also explore addition and subtraction including 100s, 10s and 1s from 3 digit numbers.

Art

We will be looking at abstract artists such as Kandinsky to explore emotion in art. We will be creating our own pieces that are inspired by shape, colour and music.

Knowing Ourselves Inside and Out

Key facts to be learnt at home

What makes a good learner?

To understand what each of our new learning skill mean:-

- Concentrate
- Work Hard
- Understand Others (empathy)
- Try New Things
- Push Yourself
- Improve
- Don't Give Up
- Imagine

WOW Day – a trip to the apple store!

More details to follow!

Children's questions

- What does empathy mean?
- What can I do to concentrate better?

PHSE

We will be introduced to all of the new learning skills in KS2 and discussing the skills needed to be a successful learner. We will also be focusing on Mindfulness using the film 'Inside out' as a stimulus.

ICT

We will be using the internet safely to research facts. We will use Keynote to create a presentation about ourselves.

Music

Looking at different instrument groups and songs for Harvest Festival.

PE

For outside PE we will be playing tag rugby and developing our gross and fine motor skills. Inside will be exploring skeletons and movement through gymnastics.

French

We will be learning greetings and talk about ourselves, including, our birthday, where we live and how old we are.
