

English

Children will be writing their own Viking Saga, drawing on all of their historical knowledge as well as other genres.

PHSE

The children will be focusing on behaviour in out out of the classroom such as 'understanding others'.

Mathematics

Children will be continuing with multiplication and division questions and later we will start working on fractions and decimals.

PE

The children will develop their flexibility through dance.

Victorious Vikings

Key facts to learn at home

- In CE 871 King Alfred became the first king of all England.
- CE 400 Anglo Saxons invaded and settled in Britain (as the Romans left)
- Saxon settlements end in -ham, -wich ,
- Viking settlements end in -ton, - by

Science

The children will identify how sounds are made and find a pattern between the volume of a sound and the strengths of the vibration that produces the sound. This will link in with music lessons on the Vikings.

DT

The children will be designing, creating and evaluating Viking Longboats.

R.E

The children will be looking at different religions and thinking about what they can learn from them when deciding what is right and wrong.

History

The children will be comparing Anglo Saxons and Vikings and their struggle for the kingdom of England.

Children's Questions

What kind of music did they have or make in the Viking time?

How did Vikings make their weapons?

Why are there horns on the helmets?

How do people hear music and different sounds?

Music

The children will be exploring music from Viking cultures.

WOW Day! - Friday 9th November

We will have a Viking visitor and be taken on an adventure in school, experiencing life as an Anglo Saxon or a Viking.

Computing

The children will be learning about how to stay safe online.
