

## English

We will be learning about expanded noun phrases, modal verbs, speech and relative clauses. We will be doing this through the texts "Carrie's War" and non-fiction writing. We will also continue focusing on our Y5 Non-Negotiables.

## Science

We will be looking at materials and grouping them based on their properties. We will also be thinking about the uses of different materials and linking this to our DT topic. We will be experimenting with solids, liquids and gases.

## Maths

We will continue focusing on multiplication and division. We will be embedding the children's understanding of times tables and multiplication to support this. We will use multiplication to think about area and perimeter and then begin to look at Fractions.

## History

We will be learning about World War II and how Bristol was affected during this time. We will be researching and experiencing what life would have been like for a child during WWII.

## World War II

## Drama

Mrs Newbolt will be continuing the children's work on Shakespeare through readings and performances.

## P.E

We will be playing Dodgeball and working on the skills of throwing and catching. We will be learning the 5 D's of Dodgeball.

## WOW Day!

Thursday 15<sup>th</sup> November

Come to school dressed as an evacuee ready to experience what life was like for children and adults in WWII.

## Computing

We will be focusing on the impact technology has on our modern day lives including how we use the internet to communicate.

## PSHE

We will be continuing our work with U.W.E by looking at the DNA-V Model and how this can help us be successful in achieving our aims in life and school.
