

English

We will be writing and structuring non-fiction information booklets based on how plants grow and staying healthy. In addition, we will be writing information booklets about different animals around the world and studying Handa's Surprise.

Geography

We will be focussing our learning on our link school 'Little Angels' in Kenya and comparing our life and school day with theirs. We will learn to locate the worlds 7 continents and 5 oceans. We will also be using geographical vocabulary to describe physical and human features. We will use maps, atlases and globes to look at hot and cold areas in the world as well as the location of the North and South poles.

Art

We will be travelling around the world, looking at and trying our own Aboriginal art from Australia and Rangoli patterns from India.

WOW Day

OUR FIRST WOW day will be on Tuesday 5th March

where children are invited to come into school in clothing themed around a certain country of the world. Hopefully, Pearl will be visiting to talk to the children about her work at our link school, Little Angels, in Kenya

OUR SECOND WOW day will be on Monday 1st April.

We invite Year 2 to come dressed as artists.

During the day we will sample foods from different cultures and create art work inspired by different countries.

Explorers of the world!

THE LITTLE ANGELS MABAMBANI
NURSERY AND PRY-SCHOOL
P.O. BOX 40223 MOMBASA

Key facts to be learnt in school and at home

- To be able to name and locate the 7 continents of the world; Europe, Africa, Asia, Australia, North America, South America and Antartica.
- To be able to name and locate the 5 oceans of the world; Pacific, Southern, Indian, Arctic and Atlantic.
- To name 5 differences between our country and Kenya.

Children's questions

Where is the smallest continent in the world?
How big is the UK compared to China?
What is life like in Africa?

R.E

We will be learning about Islam and how Muslims celebrate Ramadam and the festival of Eid.

Mathematics

We will be looking at statistics as well as revisiting adding, taking away, multiplying and dividing.

Science

We will be finding out about the basic needs of animals and humans; including survival (water, air and food) and how they grow. In addition to this, we will be looking at seasonal changes as we enter into spring.

Drama

Mrs Newbolt will be teaching the children some choral speaking skills and they will be learning to recite poems from around the globe.

PE/Music

We will learning to play outdoor games that different children around the world play.
