SCHOOL NEWS

School Meals

Aspens Catering Services, who prepare our meals in school, would very much like to hear from parents about how the service can be improved. If you are able to spend a few minutes completing the survey below this would be much appreciated.

Bookstart

Thank you to all the parents who came along to the Bookstart session. The support was fantastic and everyone had an enjoyable time.

Over 30 parents and 60 children all enjoyed sharing the story of Little Monkey and each child took home a free book!

We are looking at the feedback comments to see how the school and home partnership can further support your child's reading.

Comic Relief

Comic Relief Red Nose Day is **Friday, 15th March**. The School Council are planning some fundraising activities; details to follow.
The School Council.

Travelling Book Fair

The school will be hosting a travelling book fair on **Tuesday, 26th, Wednesday, 27th and Thursday, 28th February** in school from 3.00 pm until 4.00 pm.

Leaflets have already been sent home with information about some of the titles available to buy. For every book purchased we receive commission to buy books to use in school.

We will be giving away 5 x £5 book vouchers to spend at the fair by running a book cover design competition - more details to follow.

World Book Day

Exciting news! We are celebrating World Book Day with the rest of the UK this year - **Thursday, 7th of March**.

Children are welcome to come to school on Thursday 7th March dressed as their favourite book character. We would like them to bring in the book the character is based on (if you have a copy), or a favourite book of theirs and at various times during the day we will pause to focus on reading.

Book at Bedtime

Our Book at Bedtime event this year will be combined with World Book Day. So, on **Thursday 7th March from 5.00 pm until 5.30 pm**. Children are invited to come back to their classroom dressed in pyjamas to have a cosy bedtime story with their class teacher. Children can bring in a mug for hot chocolate which the FOLG will very kindly provide.

Parents will need to drop their children off in the hall and collect from the hall at 5.30 pm.

If you are thinking you would like your child to attend, please let the class teacher know via class Dojo or get your child to let them know so we have a rough idea for the numbers of hot chocolate to prepare.

Lost Property

There is a navy blue coat with a fur hood missing from the year 1 cloakroom. If you think this has been taken home by mistake please return it to the office or Blaze class. Thank you.

PAMPER & SHOPPING EVENING

Bristol to Bath Cycle Path

Sustrans are interested in gaining the views of local residents on the Bristol to Bath Cycle Path. This project (called the One Path initiative) is aimed at solving the main problems that local residents have highlighted with regards to the path. Things such as ASB, speeding cyclists, and generally conflict between the different user groups.

So that they can capture as many views as possible, Sustrans would be grateful if you could complete the survey on the link below.
