

Ethos and Behaviour

The ethos at Breakfast Club supports the school's **GREAT** values of **growth**, **respect**, **enjoyment**, **ambition** and **togetherness**. The organisation is designed to help children develop in a number of ways:

- gaining independence and self-esteem
- showing respect to each other and the adult supervisors
- enjoying the food and range of activities on offer
- trying new games and activities
- playing together with everyone else at Breakfast Club.

Breakfast Club uses the school behaviour target and encourages all children to stay on 'green'. Children who move from green are recorded in the Breakfast Club book and parents will be informed if their child receives three 'ambers' or any time they receive a 'red'.

Green behaviours: *engaged in activities; being polite; listening to others; being friendly*

Amber behaviours: *disrupting others; name calling; teasing; damaging property; swearing*

Red behaviours: *physical violence; bullying; racism; rudeness to staff*

Longwell Green Primary School

Breakfast Club

Welcome to Longwell Green Primary School Breakfast Club

The Club has been established for many years and aims to provide high quality care of children before school, thereby allowing parents to leave early for work. The club is very popular, with between 30 and 40 children attending each day.

Activities at Breakfast Club

Breakfast Club is established to provide good quality care for children; their safety is paramount and our activities are geared towards providing them with a range of interesting things to do within a calm and purposeful environment.

Between 7.45 and 8.15 all activities are held in the school hall, and include:

- Table top games, colouring and puzzles
- Den making
- Small world imaginative play

At 8.15 children can also choose to go into the playground to take part in physical activities such as cricket, hoops or skipping.

All children pack up the activities ready for school at 8.45.

Food provided at Breakfast Club

Breakfast Club offers a range of food and drink that provides children with a nutritious start to the day. Breakfast is provided by the school kitchen; children may choose to have breakfast at school or at home before they arrive. **NO FOOD OR DRINK IS TO BE BROUGHT INTO SCHOOL FROM HOME.**

Any child attending Breakfast Club, who is entitled to support from Pupil Premium funding, will receive free breakfast, up to the value of £1.00. Please call at the office for more information.

Important Information for Breakfast Club users

- Children should not bring toys into Breakfast Club - all items are provided
- Running around the hall or playing on the PE equipment or gymnastics are not allowed
- Footballs are not permitted
- Parents and carers are welcome to bring their children in and settle them but we would ask that under normal circumstances children are left at the reception desk after they have been registered. Parents or carers wishing to speak with any member of school staff should make arrangements via the school office.
- Children are asked to keep their shoes on whilst at Breakfast Club
- When playing outside the amphitheatre and outside play equipment is not to be used
- Behaviour issues will be dealt with as outlined under the Ethos and Behaviour section
