Parent Governor Vacancy

Dear Parent(s)/Carer(s)

This letter invites Parent(s)/Carers(s) of pupils at this school to consider standing for election as a parent governor. We currently have a vacancy for ONE parent governor which we need to fill as soon as possible.

School governing boards must have at least 2 parent governors, who are elected by and from the parents of pupils currently attending their school. Parent governors serve a four year term of office and bring a very important and valued perspective to the work of the governing board.

Before you decide, you may want to know more about what is involved. Experience has shown that governors need a strong commitment to the role and to improving outcomes for children, the inquisitiveness to question and analyse, and the willingness to learn. Governors need not be experts in the field of education the skills you have can be very useful to the governing board; but they do need to have a desire to support the school and the wider community in a confidential manner. Governors also need what is known as 'soft skills' – the ability to be able to build relationships with a range of people, to be able to work as part of a team, to be able to question, and to make connections between different types of information.

Our governing board expects governors to:

- attend all termly meetings of the full governing board;
- sit on 2 committees and attend the meetings which are usually 2 to 3 a term;
- visit the school formally for monitoring purposes twice a year;
- visit the school informally at least twice a year;
- commit to attend induction training and other relevant training courses.

In return, our governing board commits to:

- provide you with a structured induction;
- provide access to quality training;
- provide you with an experienced governor as mentor;
- provide informal feedback on your contribution to the governing board on a bi-annual basis.

Please note that all governor appointments are subject to an enhanced criminal records check in addition to the Qualifications and Disqualifications Regulations which can be viewed on Integra Schools, Governor Services website.

If you would like to put yourself forward as a candidate, please complete and return the attached documents to the school by 4.00 pm on Friday, 25th September, 2020

Your nomination should be accompanied by a succinct personal statement which should include:

- evidence of the extent to which you possess the skills and experience the governing board desires;
- your commitment to undertake training to acquire or develop the skills to be an effective governor;
- if seeking re-election, details of your contribution to the work of the governing board during their previous term of office; and
- how you plan to contribute to the future work of the governing board.

If it is necessary for there to be an election, I will contact you to let you know about the arrangements.

If there are more nominations than vacancies, an election will be held and you will be sent a voting paper. You may return the ballot paper either via your child or by post.

Yours sincerely
