

## English

We will be recapping the Year 3 skills and focusing on the Year 4 non-negotiable writing skills through a variety of text types. Our class novel for this term will be 'One Dog and his Boy' by Eva Ibbotson.

## PHSE

We will be discussing emotions and feelings with regard to the Corona Virus. We will also look at what it means to be a good class citizen and a respected member of society.

## Mathematics

We will be developing our knowledge of place value (to thousands) and working on our mental maths skills through Big Maths.

## PE

We will be doing gymnastics with a focus on balance and core strength.

## Celebrating Us

### Key facts to learn at home

- The organs that are part of the digestive system and their function.
- The different types of teeth and their function.
- The definition of predator, producer and prey.

## Science

We will be learning about our digestive system and we will be able to identify the different types of teeth and their functions. We will also look at food chains; identifying producers, predators and prey.

## Art

Focussing on the art of Georgia O'Keefe, we will be investigating different colours, textures and paint brush sizes to create various effects.

## French

We will recap French greetings and develop our pronunciation when describing ourselves.

## R.E

We will be learning about what it means to be a Hindu in Britain today.

### CROSS CURRICULAR LINKS

Maths: We will be creating a bar chart to investigate the amount of sugar in different drinks.

We will be analysing different graphs on tooth decay.

English: We will be writing instructions on how to brush our teeth.

We will be writing a report on teeth.

## COMPUTING

We will be learning how to use the internet safely.

**WOW Day (Thursday 17<sup>th</sup> September)**

**All about Teeth and Healthy Eating**
