

English

The children will continue reading our class text 'One Dog and his Boy' by Eva Ibbotson. They will be writing non-chronological reports and narratives, based on this book.

The children will be writing their own Viking saga based on their knowledge of historical facts they have learnt.

PSHE

The children will be celebrating differences and learning to embrace these respectfully.

Mathematics

The children will be developing their multiplication knowledge and using this to multiply and divide larger numbers.

The children will be using their mathematical knowledge when looking at time lines linking to their history topic.

PE

The children will continue to develop their team work skills to participate in invasion games.

DT

The children will be designing, creating and evaluating Viking longboats.

History

The children will be using evidence such as pictures and artefacts to reconstruct and compare life of the Anglo Saxons and Vikings and their struggle for the kingdom of England and make links to modern day.

Music

The children will continue to learn the ukulele; studying rhythm and notation.

Victorious Vikings

Key facts to learn at home

- In CE 871 King Alfred became the first king of all England.
- CE 400 Anglo Saxons invaded and settled in Britain (as the Romans left)
- Saxon settlements end in -ham, -wich ,
- Viking settlements end in -ton, -by

WOW Day! - Wednesday 18th November

We will take part in a range of different activities, linking to our topic of 'The Vikings'.

French

The children are learning to describe themselves and their families including eye and hair colour.

R.E

The children will be looking at different religions and thinking about what they can learn from them when deciding what is right and wrong.

Computing

The children will be creating algorithms.
