Tour of Longwell Green School – prospective new families for September 2022.

Dear Parents and Carers,

Firstly, thank you for taking time to explore Longwell Green school. You are in the luxurious position of a large number of local Primary Schools, each with their own unique positives. Of course we may be a little biased, but we think Longwell Green is an amazing school and we look forward to sharing a snapshot of our school with you during one of our tours.

We are a highly popular school and over the years, the numbers of applicants and indeed the numbers on tours have grown significantly. When we last did tours (pre Covid), we had groups of over 60 at a time!

With Covid still about, these kinds of numbers are simply not practical for the time being, so we have had to find another way to share our wonderful school with you.

Face to Face tours

Face to face is always best I feel, so firstly we have put on more tour dates. These dates so far are:

Thursday, 23rd September 2.15pm - **full**

Wednesday 6th October 5.00pm

Wednesday, 10th November 6.00 pm

Thursday, 2nd December 9.30am

For obvious reasons, this year we will need to know in advance numbers and will need to put a cap on the numbers of visitors in total for each visit. We aim this time to have no more than 30 per group and **we ask that you wear masks during the visit**. We would also ask that you undertake a LFT prior to attending the tours.

To ensure correct numbers, please **book a place on these tours by telephoning the school on 01454 866460**. This way we can ensure everyone feels safe and comfortable. This also means that if we have the need, we will be able to plan additional dates in a timely manner. Thank you in advance.

Video tour

If you are unable to make the dates, or would rather not tour in a group, then we have the option of our school tour video which can be requested via the office. It will contain the same information that the face to face tour will contain.
