

History

We will be learning about the significant event 'The Great Fire of London'. We will be investigating how the fire started and the events that developed. We will be looking at paintings from the time to investigate how reliable sources can be. This will also include studying significant individuals from the 1600s.

DT

We will be planning, making and evaluating a Christmas structure for the fayre, looking at what is on the market and designing our own.

Computing

We will look at information technology at school and beyond, in settings such as shops, hospitals, and libraries. We will investigate how information technology improves our world, and how to use information technology responsibly.

PSHE

Our focus this term will be 'Celebrating Differences'; exploring how we should value the uniqueness of everybody and show kindness and encouragement.

English

We will be going back in time to look at the author, Charles Dickens. We will be reading some of his novels including David Copperfield. We will be developing our grammar skills through a range of different pieces of writing such as diaries and creative writing, and we will have the chance to read, evaluate and write our own poems.

WOW Day

OUR WOW day will be on Monday 16th November where children are invited to come into school as bakers or fire-fighters. They will be taking part in some fun activities based around our new topic including creating their own artwork of the fire as well as have a very exciting performance from Trunk Theatre to take us back in time!

London's Burning!

Things you could investigate at home:

- Significant figures from the 1600s
- Reasons why The Great Fire of London spread.
- Where the Great Fire of London started.
- Ways you can stay safe at home.

Science

We will be identifying and classifying what makes something living, non-living and never alive.

R.E

We will be exploring the religion of Islam. We will look at what Muslim worship looks like and their beliefs. We will also be exploring the Christmas Story through our school nativity 'Wriggly Nativity'.

Music

We will be learning and performing our Christmas production. The children will learn new songs and dances which they will perform to you on stage!

PE

We will be working on our multi-skills (agility, balance & coordination) and applying these into games with Swift Sports.

French

In this term we will be consolidating our knowledge of Les Animaux from Term 1. We will also be extending our vocabulary to farm animals and looking at the difference between "un" and "une."

Mathematics

In Maths we will be looking at subtraction and then turning our heads to commutativity for the times tables. We will then think about fractions and telling the time before ending on a recap of our shape facts.
