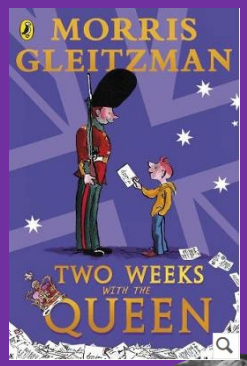
English

We will be learning about, speech punctuation, relative and subordinate clauses and the use of commas when using these. We will be doing this through the text "Two weeks with the Queen".

Two Weeks with the Queen



Science

We will be looking at materials and grouping them based on their properties. We will also be thinking about the uses of different materials and linking this to our DT topic. We will be experimenting with solids, liquids and gases.

Maths

We will be looking at prime numbers, multiples, fractions, area of shapes, geometry regarding angles and categorising regular and irregular polygons.

World War II

Cross curricular links:

English – War poetry, diary entries and recounts

Maths – Fractions and rationing

WOW Day – TBC soon

We invite your child to come in dressed in WW2 attire, which could be as simple as an evacuee. Please keep an eye on dojo for more information.

RE

This term we will be looking at 'If God is everywhere, why do places of worship exist?' This will be taught by Mrs Darling.

Design and Technology

We will be focusing on designing a product for the Christmas Fayre.

Forest School Term

This will be on Tuesday for Nile and Thursday for Amazon.

P.E

We are focusing on gymnastics this term and will demonstrate the five basic jumps showing different shapes and directions.

Computing

This term we are looking at how to strategically search the internet using search engines.

History

We will be learning about World War II and the Battle of Britain. We will be researching and experiencing what life would have been like for a child during WWII.

PSHE

This term we will be using the PHSE scheme called Jigsaw to look at 'Celebrating Differences' where we discuss everyone's differences and including everyone.

Our Value is PEACE
